Now i am getting such an advanced facility for JEE,that i would never believed to be here.. Some way more to go for all of us.. May there be very few coachings or institutes in the world where a teacher is talking to a student @ 1.20 am at night, where a guide is ready to clear doubts at late night in his sleeping time,where a teacher comes live for us personally after 9 pm ... Its not a coaching, its a family, our eSara!ite Family available @24 hours.. Thanks eSara! very much.. Really transforming education to Affordable Accessible Thoughtful... Thank u eSara! once more..

to be honest,tb se lekar aj tk har din most used app-"eSaral"...

andar se itni achi awaz ati hai na,ki khud pr proud hota hai ki ha aj mehnat ki 😊..

chahe i qualify in IIT or not this time, but the amount of motivation and will i have got after using this can't just be matched on the basis of my success 😊😊😊

Thank You Sir..

Than You eSaral 🙏🙏🙏
